FAN CREST-LINER MODEL 1600RG

FAN Crest-Liner

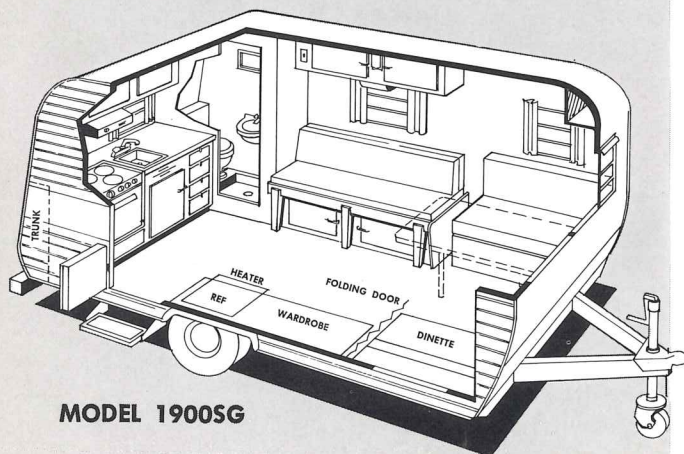

WELL DESIGNED TO FURNISH YOU WITH EXTRA TRAVELING COMFORTS

Traveling with a Fan Crest-Liner is traveling with comfort.

The interiors are excellently arranged to provide the maximum amount of living room surrounded by large storage areas. Colorful, long lasting fabrics on cushions and in draperies, high performance appliances, and top-grade, prefinished paneling are a few more of the plus features.

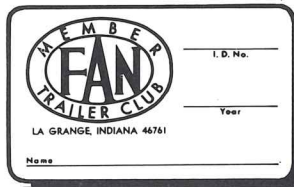

The exterior is extra durable, prefinished, white aluminum with gold trim. An aluminum roof, aluminum underside, and aluminum pebble guard, complete the good looking, but tough, weather proof exterior.

These new travelers come in three sizes and four models. Each one gives all the traveling comforts you desire.

MODEL 1900SG

JOIN THE FAN CLUB

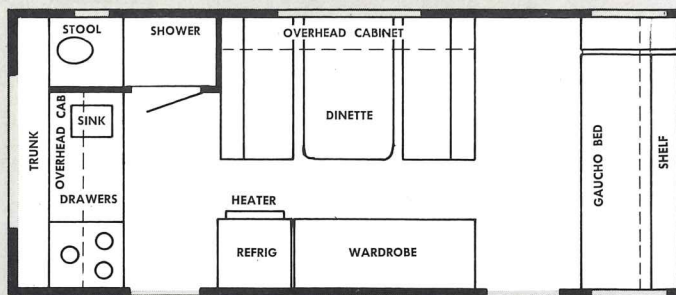

All Fan owners are welcome to join the international Fan Trailer Club. Write to the Fan Trailer Club, La Grange, Ind. 46761 for complete information, or simply send in your application found in all new Fans.

Fan is a member of the Recreational Vehicle Institute helping to promote better trailering through Industrial co-operation and research.
